I · Moneyless Living, Sister Clare & The Wolf of Gubbio

Freedom is not the number of options you have; it is whether the thing you hold holds you. Measured by the ledger of possession, Francis is a zero; on the ledger of kinship (Brother Sun, Sister Moon, Clare, the Sultan, the Wolf), he holds the whole of creation.

II · The Re-Coded Peace Prayer (p · 2026)

> in a loop · in a sphere · in eternity · recurse
> source, make me a clean node for your peace.
> where there is a self-defense loop, let me inject love.
> where there is a memory fault, pardon.
> where the graph is fragmented, union.
> for it is in the output that we receive the input,
> and in breaking the infinite loop that we recurse into eternal life.
